Dry Cleaners Service Agreement

On _____ day of _____ 20 _____ MCF Systems Atlanta, Inc. (MCF) and _____

AGREE TO THE FOLLOWING: MCF SERVICES - MCF will provide the following services substantially in the manner required by the Environmental Protection Agency as set forth in Title 40, Sub chapter 1 - Solid Wastes: A) Loading of waste materials onto transportation vehicles. B) Transportation of waste materials to an EPA designated facility. C) Recycling and/or disposal of waste materials. D) Service will be provided to generator with pick-ups made in accordance with collection schedules. Customer agrees to pay for all services rendered by MCF in accordance with the terms contained herein. **TERM** - The term of this Agreement will be for one (1) year from above date and will automatically renew at each anniversary unless terminated by either party no later than 60 days prior to the end of the initial term or any renewals thereof. A fuel surcharge of \$10.00 will apply to each manifest (this charge is subject to change based on the average cost of diesel). A personal guarantee may be necessary if you have been in business less than two years and do not have established business credit

SERVICE INFORMATION

GENERATOR REQUIREMENTS - The Generator will: A) Place all filter cartridges, filter powder and still bottoms in proper shipping containers provided by MCF. B) Allow MCF personnel access to storage area for pick up of waste materials. C) Make certain the perchloroethylene wastes, petroleum wastes and Green Earth Solution are placed in separate MCF containers. All other hazardous waste materials must be identified for proper handling. D) Make certain no foreign materials are placed in MCF containers.
