

MCF

Coronavirus (COVID-19) Waste Management

COVID-19 (CORONAVIRUS) waste is classified by CDC as regulated medical waste and managed the same as all other RMW. **Prevention and response time are critical in slowing the virus.**

CURRENT SERVICES OFFERED:

Decontamination

MCF can clean and disinfectant your facility, office, home etc. to meet all necessary requirements.

Transportation

Our certified drivers will pick up your waste and have all necessary paperwork.

Disposal

MCF operates an autoclave to properly dispose of your waste and will provide necessary documentation.

Health and Safety during this pandemic is our top priority. We also want to ensure your compliance.

ALL MCF services and procedures meet or exceed requirements by:

- ✓ CDC (Center for Disease Control)
- ✓ OSHA (Occupational Safety and Health Administration)
- ✓ EPA (Environmental Protection Agency)
- ✓ WHO (World Health Organization)
